Dear Recruitment,

Please accept this letter and CV attached to my application for this position. My professional expertise lies within finance, data and technology, and I would be excited to bring an experienced perspective to your company's community.

I hope this letter finds you well during these unprecedented times, I have been intrigued by the work your company does for some time now. I have had the opportunity, in previous roles, to combine the worlds of finance and data and am passionate in finding the bridge between the two sectors. I hope to leverage my proactive mindset and passion for finance and technology to expand your company in its ever growing industry. I am looking for a platform where I can become a key contributor to a team, I believe I can become an indispensable value addition to your team.

Please let me know if you have any questions regarding my background and feel free to contact me if you require further information.

Sincerely,

Saurabh Arya
